Overview of topics

1 Mock interviews

- need to book room(s) for two hours every week
- can rent room in SCC
- might book for just one hour, make sure nobody needs it after

2 HackDavis

- series of weekly workshops during November (Zain and Pranav)
- web development, iOS, Android, machine learning, . . .
- partnering with HackDavis (they're booking rooms)
- HackDavis people want Pooja to sign a contract

3 Bit/Byte

- everything went better than expected
- want monthly events like that (except December)
- November event a week before Thanksgiving

4 Web Dev

- only Alex has access to the database
- Alex is busy for the next two weeks
- members are interested in contributing to the website
- maybe start holding workshops soon
- could start another website . . .
- could start an app
- (lots of ideas, probably need to discuss this further)

5 Newsletter

- Prajakta needs mailing list from general meeting
- will send out update on ad hoc committees

6 Dues

- doing it
- next quarter

7 Updates from Trevor

- committee for cybersecurity, one interested student
- esoteric languages on Thursday
- LaTeX workshop in November
- WebAssembly workshop later (with Teresa maybe)
- Room for *Rick & Morty* marathon
- Put *Rick & Morty* marathon in newsletter after this one
